The Murdoch difference

Ask anyone who's studied here:
there's something special **about Murdoch.**

Murdoch is a place where you can be yourself and be appreciated for who you truly are. It's the kind of place where the lecturers know you by name, and down-to-earth students wave to you across the lawns of Bush Court. We are honoured to welcome staff and students who come from all walks of life.

Whether you want to change the whole world, some of the world, or just your world, our extensive range of courses and hands-on learning facilities will equip you with the skills you need. But the most important thing you'll learn here? To think freely, and to think for yourself.

We don't follow the crowd, and neither do our students. Thousands of free-thinking students have graduated from Murdoch and made their mark on the world. When you're thinking for yourself, there's no limit to what you might achieve.

Free thinking has always been at the heart of Murdoch and continues to steer us towards activities that truly matter. We're different, and we're proud of it.

**Welcome to our
vibrant community.**

in Western Australia

GOOD UNIVERSITIES GUIDE 2021

The best of **Teaching**

REFINE YOUR TECHNIQUES WITH OUR VIRTUAL CLASSROOM

We are proud to be the first university in Australia to offer SimLab™ technology, our virtual classroom. Before heading into the real world, you'll practise teaching, relationship management and behaviour management skills in a safe learning environment that mimics a real classroom.

Represented by professional real-life actors, you'll get to work with classroom pupils with differing learning capabilities that respond in real-time. It's not only the students you'll work with, adult avatars can also take on the role of parents – all with unique personalities and behaviour.

GRADUATE READY TO STEP INTO A REAL CLASSROOM

Leave Murdoch feeling confident and ready to take on a real classroom, as you experience more than 585 hours of practical placements.

We offer the most extensive range of practical placements out of any university in WA. This means you won't be confined to only metropolitan placements either, as you can choose to also undertake on-the-job training in regional, rural and remote schools.

Or if you want to build upon your cultural awareness, there's also the option of conducting your work experience in international schools in Singapore, Thailand or China. We also offer placements for specific interests, such as at special needs and inclusive education centres and at Islamic, Catholic or Christian schools.

As a degree requirement you'll build an online portfolio that showcases, for future employers, your accumulated experience and complete literacy and numeracy requirements (LANTITE). You'll also be supported to fulfil the regulatory requirements for your Teacher Performance Assessment.

BENEFIT FROM OUR INTERNATIONAL BACCALAUREATE CERTIFICATE ACCREDITATION

If you're interested in shaping the minds of students across the world, and advancing your career, why not consider enrolling in our Graduate Certificate in International Education?

We are one of the few universities in Australia accredited to teach the International Baccalaureate Certificate in Teaching and Learning. With IB certification, you become employable worldwide, gain exposure to different teaching methods and have opportunities to observe and converse with international school teachers.

WE ARE ONE OF THE ONLY UNIVERSITIES TO OFFER TRIBES TLC® AS AN ACCREDITED UNIT

Interested in discovering how to create a positive and emotionally safe learning environment? Tribes TLC® is a research-based learning program which aims to create a caring and safe environment in the classroom to improve engagement, behaviour and learning for student success. On completion, you will receive the Tribes TLC® Basic Training Certificate and international registration.

FEATURED COURSE

Bachelor of Education (Secondary Teaching)

Nurture tomorrow's leaders

The world that we know is changing, as are tomorrow's challenges. Become the outstanding teacher students need to succeed in a rapidly evolving world.

You'll gain the experience and qualifications to teach students from Years 7 to 12 and major in an area of your interest. Our experienced academics with domestic and international teaching knowledge will help you discover how to prioritise, create engaging lesson plans and manage stakeholders - from parents to students and other teachers. You'll graduate with first-hand experience in a school environment where you'll put the concepts you've learned into practice.

Why study Secondary Teaching at Murdoch?

- 1. Learn to manage stakeholders.** Before you enter the classroom, learn to manage parents' expectations and student behaviours in our virtual simulation SimLab™ suite.
- 2. Graduate classroom-ready.** We've established strong relationships with public and private schools across WA, so you can undertake your practicum with students from a wide range of demographics.
- 3. Apply for WA's longest running internship.** Become part of the schooling staff by applying for a 1-year internship at a partnership school, so you can strengthen your teaching skills and knowledge.

Are you ready to make a difference to the lives of secondary students?

Learn more about Secondary Teaching on page 13.

BACHELOR OF EDUCATION

Early Childhood and Primary Teaching	10
Primary Teaching	11
Primary, 1-10 Health and Physical Education	12
Secondary Teaching	13

Inspire the minds
of today, so they
can create a
better tomorrow

Early Childhood and Primary Teaching

If you want to...

1. Gain skills in early childhood learning and development.
2. Have fun as you explore play-based learning and investigate effective learning, teaching and assessment practices.
3. Enjoy practical placements which could include metropolitan, rural, remote, international, multicultural, private and state school environments.

As an Early Childhood and Primary Teaching student you will...

- Join the only teaching program in WA where you can graduate ready for both early childhood education settings and primary school classrooms.
- Build an online portfolio to share your experience with future employers.
- Explore areas of the primary curriculum including English, Mathematics, Science, Humanities and Social Sciences, Health and Physical Education and the Arts.
- Complete a Teacher Performance Assessment before graduating in your final year.

You'll learn

Big ideas in education, including living and learning with technology, Aboriginal and Torres Strait Islander perspectives across the curriculum, explore nurturing creativity in the early years and how to promote an inclusive education.

Want to be recognised?

This qualification is recognised by the Teacher Registration Board of Western Australia, the Australian Institute for Teaching and School Leadership, the Australian Children's Education and Care Quality Authority, and the state, Catholic and independent schools, departments, organisations and associations.

Where it will take you

This course will give you the qualification you need to teach children from birth to Year 6, in childcare settings, kindergarten, pre-primary and primary classes.

What you need to know...

BACHELOR OF EDUCATION

TISC Code MUECP	Course Code B1383
Duration 4 years	Selection Rank* 70
Intake Semester 1 and 2	Recommended ATAR Subjects N/A

**Minimum Selection Rank required for consideration*

Primary Teaching

If you want to...

1. Gain the qualification you need to teach students from Years 1 to 6.
2. Gain skills in effective learning, teaching and assessment practices.
3. Be mentored by our team of experienced teaching professionals to become a confident, creative and flexible teacher.

As a Primary Teaching student you will...

- Explore areas of the primary curriculum including English, Mathematics, Science, Humanities and Social Sciences, Health and Physical Education and the Arts.
- Enjoy practical placements which could include metropolitan, rural, remote, international, multicultural, private and state school environments.
- Complete a Teacher Performance Assessment before graduating in your final year.
- Graduate with an online portfolio which you can use to showcase your experience and skills for future employers.

You'll learn

Living and learning with technology, language for learning and teaching, creating and managing effective learning environments and how to promote inclusive education, the interaction and relationships between children, families, schools and the wider community.

Want to be recognised?

Our Primary Teaching qualification is recognised by the Teacher Registration Board and all schooling systems in Western Australia.

Where it will take you

This course will give you the qualification you need to teach children from Years 1 to 6 in primary schools, with the opportunity to specialise in Mathematics and Numeracy Education, English and Literacy Education, Inclusive Education or Teaching Indonesian or Japanese.

What you need to know...

BACHELOR OF EDUCATION

TISC Code MUEPT	Course Code B1382

Primary, 1-10 Health and Physical Education

If you want to...

1. Enjoy practical placements, which could include metropolitan, rural, international, multicultural, private and state school environments.
2. Work as a primary school teacher for Years 1 to 6 and as a secondary teacher (up to Year 10).
3. Design, deliver and lead a sport development program for juniors, either within a school or club.

As a Primary, 1-10 Health and Physical Education student you will...

- Gain qualifications in coaching and officiating, with the opportunity to work with specialist coaches from a variety of sporting bodies such as the Western Australian Cricket Association, Tennis Australia, Basketball WA and Hockey WA.
- Complete a Teacher Performance Assessment before graduating in your final year.
- Take advantage of our partnership with the Western Australian Cricket Association and Tennis Australia and gain teaching experience in state team training sessions and high-level sports coaching.
- Create an online portfolio that showcases your expertise and practical experience for your future employers.

You'll learn

The importance of health and physical education, how to run a sport education program, how to coach a number of different sports, and how to create and manage inclusive and effective learning environments.

Want to be recognised?

This qualification is recognised by the Teacher Registration Board of Western Australia, the Australian Institute for Teaching and School Leadership, and the state, Catholic and independent schools, departments, organisations and associations.

Where it will take you

This course will give you the qualification needed to teach children from Years 1 to 6 in primary schools and to teach Health and Physical Education for secondary students up to Year 10.

What you need to know...

BACHELOR OF EDUCATION

TISC Code MUEHP	Course Code B1384
Duration 4 years	Selection Rank* 70
Intake Semester 1 and 2	Recommended ATAR Subjects N/A

**Minimum Selection Rank required for consideration*

Secondary Teaching

If you want to...

1. Travel the world, coach young people or inspire the next generation of thinkers.
2. Gain a qualification to teach students from Years 7 to 12 in a teaching area you're passionate about.
3. Explore the role of education in society and learn how to manage a secondary level classroom.

As a Secondary Teaching student you will...

- Choose two majors from Science, Mathematics, English, Society and Environment, and Physical Education.
- Have qualifications in two teaching areas, so you have a competitive advantage with a variety of employers across Australia and overseas.
- Develop your teaching skills in a safe environment through our SimLab™ technology, our virtual classroom using actors and avatars – the only technology of its kind in WA.
- Get valuable experience working in school placements across the secondary years.

You'll learn

Creating and managing effective learning environments, how to promote inclusive education, adolescent development and health across different counties and cultures.

Want to be recognised?

Murdoch University is currently in the process of seeking accreditation for this new course, and expects to receive recognition from the Teacher Registration Board of Western Australia, and the state, Catholic and independent schools, departments, organisations and associations.

Where it will take you

This course will give you the qualification needed to teach children and young adults in high schools from Year 7 to 12.

A global outlook

We want to change your world, literally. We'll encourage you to think for yourself and be curious about how the world works.

The world becomes your classroom when you join one of our 70 Study Abroad and Exchange programs across the globe.

Whether you spend a winter abroad in Europe or do a semester exchange in Asia, the opportunities are endless.

Best of all, your overseas study can count towards your degree, so you can see the world while completing your degree. This means that not only do you get to see the world while undertaking your Murdoch degree, but you'll also:

- Get a different perspective on your course
- Take classes that aren't available at Murdoch
- Learn a new language or improve on existing skills
- Add value to your resume and increase your employability
- Build an international network
- Become more confident, independent and mature
- Meet people from different cultures and make friends from around the world!

EXCHANGE PROGRAM

If you're looking to spend anywhere between a semester or a year overseas, our exchange program could be what you're looking for. You could choose from one of the destinations below:

- Austria
- Canada
- Croatia
- Czech Republic
- Denmark
- Germany
- Hong Kong
- Ireland
- Japan
- Malaysia
- Netherlands
- Spain
- Sweden
- United Kingdom
- USA

SHORT-TERM PROGRAMS

If you want to travel overseas while studying but only have a short amount of time, our short-term program might be best for you. With a short-term program, you can study one or two units with one of our overseas partners, usually during the summer or winter break. If you're looking for more hands-on learning, an international internship could give you real-world experience and boost your future career prospects. You could head to London, New York, Cambodia or Spain, to name just a few.

INTERNATIONAL STUDY TOURS

Like the short-term program, international study tours run over the summer or winter breaks. You could get valuable work experience while on tour with other students from your area of study.

Teaching study tours:

- Teaching placements (Thailand, Singapore and China)
- 2-Way Learning and Diverse Schooling (Brunei and Singapore)

“ I loved being able to study education in a country so renowned for their school system. I was even fortunate enough to spend over 100 hours observing and co-teaching in a Finnish school. But the best part of my exchange experience was making all of my international friends. I also loved living in the Student Village as there were always people around to meet and hang out with, but I still had the privacy of my own room. ”

BACHELOR OF EDUCATION AND COMPLETED AN EXCHANGE AT THE UNIVERSITY OF TURKU IN FINLAND.

For more information about studying overseas, or to find out more about our third-party provider programs, visit goto.murdoch.edu.au/studyabroad

Find your path

Enrolling into university is a big decision, especially if you are unsure whether you'll meet the admission requirements. The first thing you need to do is find out which of our admission pathways you are eligible for, and how they work.

WHAT ENTRY REQUIREMENTS WILL I NEED TO MEET TO STUDY AT MURDOCH?

To gain admission into an undergraduate course at Murdoch, you will need a Western Australian Certificate of Education (WACE), a selection rank of 70 or higher (depending on your chosen course) and you will need to meet our English Language Competency (ELC) requirements. There are multiple ways to demonstrate your ELC and achieve a selection rank of 70.

MEETING ACADEMIC AND ENGLISH LANGUAGE COMPETENCY (ELC) REQUIREMENTS

The most common ways for a domestic student to meet ELC requirements are:

- Two years of Year 11 and 12 or VET studied in Australia (or a combination of both), or
- A minimum scaled score of 50 or higher in ATAR English (or equivalent), or
- A score of 140 or higher in the Written English Component of the Special Tertiary Admission Test (STAT).

ACHIEVING A SELECTION RANK

A selection rank of 70 can be achieved by attaining a raw or adjusted ATAR of 70, completing an accredited Certificate IV or higher, achieving an International Baccalaureate (IB) score of 24 or higher, or by using a portfolio. You can also achieve a 70 selection rank by completing one of Murdoch's enabling courses. Some courses, like Engineering, Law and Veterinary Science have higher selection ranks, which can be achieved by higher ATAR or IB scores, higher level VET qualifications, or previous university study.

To find out more, visit murdoch.edu.au/courses

AM I ELIGIBLE FOR MURDOCH RISE?

At Murdoch we offer Murdoch RISE, a selection rank adjustment aimed at supporting access to university for students from regional, low socio-economic, or Aboriginal or Torres Strait Islander backgrounds. It can help you get into your preferred course by increasing your Murdoch selection rank. There's no need to register – if you're eligible, the adjustment factor is automatically added to your raw ATAR score when you apply to Murdoch.

To find out what schools and postcodes are eligible for the RISE adjustment, visit murdoch.edu.au/admissionpathways

WHAT DO I DO IF I DON'T MEET THE ENTRY REQUIREMENTS TO STUDY AT MURDOCH?

If you don't meet the entry requirements that's okay – we offer a range of pathways to study at Murdoch, including our range of enabling pathway courses. Our enabling pathway courses will help you transition to uni and boost your academic skills.

WANT TO BENEFIT FROM A MURDOCH ENABLING PATHWAY COURSE?

Transition

Build a network of peer and academic support while transitioning to uni

Academic skills

Boost and perfect your learning abilities to succeed in future studies

Flexible study

Study full-time, part-time, on-campus or online

ENABLING PATHWAY COURSES

We have a range of enabling courses available, taking into account your high school results, previous studies, and work and life experience. Our pathway courses will help you develop the skills you need to study at a university level. Upon successful completion, you'll be eligible to study most undergraduate courses with a selection rank of 70.

OnTrack

Our most popular enabling pathway course is OnTrack, a free 14-week course run at our Perth, Mandurah and Rockingham campuses.

OnTrack will provide you with a supportive adult learning environment in which you can develop effective study habits and learning strategies as well as the tuition needed to develop your academic skills to an undergraduate level. You will be given assistance to explore an undergraduate degree program that matches your aspirations and a network of peer and academic support at Murdoch University.

FlexiTrack

If you'd like to study a pathway course like OnTrack but can't commit to a full-time workload or would prefer to study online, then FlexiTrack may be the course for you.

With the same entry requirements and course content as OnTrack, FlexiTrack is our free online course for students who do not qualify for direct entry. The course can be studied intensively over 10 weeks, full-time over 20 weeks, or part-time over 12 months. With numerous intakes available, you could begin your studies in February, April, July, September or November.

OnTrack Sprint

If you don't quite get the ATAR results you need, OnTrack Sprint could be the right option for you. It's a free, intensive 4-week course which commences every year in January at our Perth campus.

OnTrack Sprint will help you to develop effective study habits and learning strategies and build your academic skills to an undergraduate level in a supportive environment. If you successfully complete this course you could apply to start one of our degrees in Semester 1, at the same time as your high school friends (excluding nursing).

To be eligible, you'll need a selection rank between 60 and 69.95 and have met English Language Competency (ELC) requirements within the last 18 months or have a selection rank of 70 or higher within the last 18 months and be unable to demonstrate ELC.

K-Track

K-Track is our free 14-week on-campus course designed to enable Aboriginal or Torres Strait Islander students to qualify for entry into an undergraduate degree. The course is tailored specifically for students who would not otherwise qualify for entry.

Through a series of units, you'll explore the concepts of communication, collaborative work practices and critical thinking. You will also be introduced to academic writing styles, referencing, essay writing and constructing arguments.

To find out more about our range of admission pathways, visit
murdoch.edu.au/pathways

Murdoch alumni

My degree from Murdoch gave me the ticket to do what I was destined for. And that's teach.

I lived in the Mandurah area for most of my life, but I got my teaching degree at Murdoch's Perth campus. I'm now a qualified teacher working close to where I grew up.

Because I completed a minor in inclusive education, I was able to land a full-time job teaching students with disabilities. I have a class of eight students, and I manage three education assistants. I only graduated in February 2020, so I think it's a pretty incredible achievement for someone straight out of uni to be managing a team of adults and teaching students with a diverse range of needs.

I'd always wanted to be a teacher – it's in my DNA – but I needed to go somewhere where I felt I belonged. I was studying education at another uni but found the environment to be too competitive and I wasn't enjoying my time there. When I visited the Murdoch campus, it just felt right. I transferred my teaching degree in 2016 and it was the best decision ever.

I could write a novel about all things I got out of my time at Murdoch, but I'll keep them brief! I had the opportunity to take a heap of interesting electives, I got to use the SimLab™ virtual classroom, I volunteered for AIME and worked with local Aboriginal students

to inspire them to go for gold, but the biggest thing I got out of my time at Murdoch was a sense of belonging.

Practice is everything in teaching. Throughout my course I had over 18 weeks of practical experience in schools, working with real students in real classrooms.

I also had the opportunity to use SimLab™. The avatars are voiced by actors and it isn't scripted, so you can have natural conversations with them. It prepared me to be career-ready because it provided me with the opportunity to make mistakes and learn from them in a safe environment with my tutors nearby to assist. I became more confident that I could be a good teacher – online and in real life – and I was able to use what I had learned to produce engaging content for my students.

My advice to future students is to take every opportunity that presents itself to you, especially volunteering. That's where I made the best memories and the most useful connections and networks. Also, keep an open mind and embrace the diversity that surrounds you. You will meet people from all walks of life in your classes or even when waiting to get a coffee on campus. Murdoch is special like that.

EMMA FIELDWICK

Join us

Follow these six steps to begin your journey to Murdoch.

1. FIND A COURSE

Explore your options at murdoch.edu.au/courses

Don't forget to take note of the TISC code and course code as you'll need one of these codes for your application, depending on whether you apply through TISC or direct to Murdoch University.

2. CHECK THE ENTRY REQUIREMENTS

Entry to most of our courses is assessed on your selection rank, so it's important to check if you are eligible for direct entry, or if you will need to apply through another pathway.

Find out the entry requirements for your course at murdoch.edu.au/courses

Find out about Murdoch admission pathways at murdoch.edu.au/admissionpathways

3. EXPLORE SCHOLARSHIP OPTIONS

Explore all Murdoch scholarships and find out what you may be eligible for or head to goto.murdoch.edu.au/scholarships

4. GET A TASTE OF MURDOCH

We offer a range of events and information sessions throughout the year that will give you a taste of uni life at Murdoch.

Find out more at murdoch.edu.au/events

5. APPLY FOR A COURSE

To study at Murdoch, you will need to apply online through either myadmission.murdoch.edu.au or tisc.edu.au

For more information on which application to use please visit murdoch.edu.au/study/undergraduate-students/how-to-apply

6. RECEIVE YOUR OFFER

When you receive your offer, you'll be given instructions on how to accept your place and how to start your journey with Murdoch.

We look forward
to welcoming
you into our

free thinking

community
