

Expression of Interest – Student Work Placement

Thank you for your interest in the Work Integrated Learning Program at Murdoch University. We encourage you to express your interest by providing us with some information about organisation, and some indication of the discipline areas for which you might be able to provide a work integrated learning placement.

The best timeframes to put forward student work placement opportunities (EOIs) are the following:

- November to end of January for semester 1 (March to June)
- April to June for semester 2 (August to November)

Work Placement

In consultation with staff at Murdoch University, we ask businesses or organisations to provide a project or structured program of work – suitable for a student about to graduate – that requires them to make and justify decisions in the workplace. If you have a specific project in mind, please provide as much detail as you are able about the project itself, the workplace supervisor / mentor, and the workplace.

Work Placement Details	
Placement description <i>i.e. What tasks do you intend the student to complete?</i>	
When would you like to offer the placement?	Semester 1 (March - June) Semester 2 (August - November) Please be advised, that not all work integrated learning units are offered every semester and that timeframes can slightly vary depending on your needs and preferences.
Is the project time-bound? *	Yes No
Can we re-advertise your project? *	Yes No
* Should your project not be picked for the chosen semester due to unavailability of the respective unit or inability to provide you with a suitable candidate, we would like to re-advertise your project/internship opportunity for the next semester.	
Required hours, total **	120 hours (roughly) 240 hours (roughly)
** In some disciplines work placements are offered with varying total working hours options. Please refer to the Guide on Work Integrated Learning for more detailed information.
